

Since its inception, Habitat for Humanity has been built on a foundation of faith. Our mission is to build safe, affordable housing with people in our community and that comes from a desire to put God's love into action.

The tangible experiences that Habitat provides allow you to engage with those around you, live your faith and work alongside future Habitat homeowners. No experience is necessary to volunteer and all faith groups are welcome. We are certain that a difference will be made both in the lives of those you help as well as yourself.

When:

**Our goal is to raise \$50,000**

Thanks to Eastminster Presbyterian Church being a lead sponsor and a local Family Foundation's generous donation...we only need to raise \$50,000 to complete the build (\$165,000).
