

Partnership Guide

Central South Carolina Habitat for Humanity

Many Paths, One Mission

Our mission is to put God's love into action by bringing people together to build homes, communities and hope

Habitat for Humanity is only the hammer; the community drives the nails.

Our sponsors are true partners as we work together to ensure that all people have decent, affordable housing.

As a 'Neighborhood Revitalization' affiliate, our focus goes beyond building new homes to improving entire neighborhoods.

Neighborhood Revitalization = Greater Variety of Projects + Greater Community Impact
